(239) 642-2954 | car950@miami.edu | www.linkedin.com/in/caitlinaraymond

## EDUCATION

**University of Miami**, Coral Gables, Florida

May 2027

*Bachelor of Science, Major in Computer Engineering, Minor in Spanish*

GPA: 4.0/4.0 SAT: 1500

Relevant Courses: Calculus II, Data Structures, Algorithms, Linear Algebra, University Physics I, University Physics III, Discrete Mathematics

**International College of Seville**, Seville, Spain

June 2024

Study Abroad - Spanish Language Immersion Program

## WORK & LEADERSHIP EXPERIENCE

**New Experience Research and Design Lab (NERDLab)**, Coral Gables, Florida

August 2024 – Present

*Game Developer*

- Utilize Unity to aid in development of Answer Campus, a published game with the purpose to start meaningful conversations about tough topics that college students might face
- Walkthrough gameplay to create a detailed bug report containing issues such as incorrect text placements, screen freezing, unclickable buttons, and publish the report to be visible to the entire team
- Develop suitable C# code to be implemented into the game to target bugs and problem-solve ways to remedy the issue to ensure smooth gameplay for the player
- Collaborate with other team members to create exciting storylines for players to follow that focus on social change and relevant topics

**Google Developer's Student Club**, Coral Gables, Florida

April 2024 – Present

*Event Planning Chair*

- Employ various communication methods such as social media, flyers, and updating Engage to publicize upcoming professional development workshops and speaker events resulting in an increase in member turnout
- Collaborate closely with other executive board members to brainstorm exciting and educational events to engage our members, aiding in skill development and exposure to the world of technology
- Responsible for contacting the appropriate departments to book necessary conference rooms and confirming the proper date and time, ensuring that everyone is in accordance and eliminating any possible confusion

**Turtle Parking Lot**, Marco Island, Florida

June, 2021 – Present

*Manager*

- Create weekly schedules for all employees, working with varying availabilities to guarantee full coverage and ensure that each staff member's preferences are accommodated
- Implement de-escalation strategies to resolve any disagreements that arise between customers, developing procedures to address common sources of conflict
- Manage daily cash collections, verifying that all transactions are accounted for, and revenue is reported accurately
